Voiding an Envelope

If you have already created an envelope and the purchase is no longer valid, you can void the document. Follow the steps below

- Log into DocuSign
- On the landing page, click Manage on the top of the page
- Find the envelope and click the arrow next to the blue Sign button
- Click Void
There will be a box that pops up for you to put a reason as to why this envelope is being Voided.

By voiding this envelope, recipients can no longer view it or sign enclosed documents. Recipients will receive an email notification, which includes your reason for voiding the envelope.

*Reason for voiding envelope.*

- Click the blue Void button
- This message will pop up
- The status of the envelope will change to Voided
- End Process.
Creating a Contact

- Log into DocuSign
- On the landing page, click the profile icon in the top right-hand corner
- Click my preferences
- On the left-hand side of the page, click contacts
- Click add contact
- Fill out the information for the contact and click save. **FYI** If you do not want everyone to see the contact you just created, do not select the Shared Contact option. This must be a Gatech
authorized approver. This document cannot be sent to any unauthorized approvers

- The Company field can be left blank
- End Process.
Changing Time Zones

If you find that your envelopes have the PST time zone on them follow the steps below to change it.

- Log into DocuSign
- On the landing page, click the profile in the top right-hand corner
- Click on My Preferences
- On the left-hand side of the page, go to Regional Settings
- Under Time and Date, select Specify a Time Zone
- Change it to the Time Zone you are located. For example, I am in Georgia so I selected Eastern Time

**Time and Date**

- Match my computer’s time zone
- Specify a Time Zone

(UTC-05:00) Eastern Time (US & Canada)

- Click Save
- End Process.
